Allowable Subject Matter

1. Claims submitted are allowed over the art of record. None of the cited prior art discloses or teaches the ability of recording the unit audio information attribute information pieces prior to the partial recording information and the control data.

The examiner has interpreted the wherein clause in the independent claims (for instance 68/69) as requiring the audio attribute information to be recorded prior to both the partial recording information objects AND the control data.

Applicants' identification as to the partial recording information objects is greatly appreciated.

A handwritten signature in black ink, consisting of stylized, overlapping loops and lines, positioned on the right side of the page.

with respect to item 6a - the drawings are objected to because as recited in claim 68/69 (for instance) the audio information attribute information pieces are recorded to be prior to the partial recording information objects and the control data are not shown in any of the accompanying figures.
